Your consultation will be approximately 1 hour with Dr. Rand to be sure that all your questions are answered and to make your consultation enjoyable and informative. **Please arrive 15 minutes early for your check in.**

All persons entering the clinic must wear a mask at this time.

If you have young children, we would ask that you arrange care for them so that we may focus all our attention on providing you with the highest quality of service.

After meeting with Dr. Rand, I will meet with you to review finances and possible scheduling. I am available to answer your questions Monday through Thursday 8:00 a.m. until 5:00 p.m.

Our consultation fee is \$100.00 to reserve a one hour appointment and to confirm your appointment date. This fee will be applied toward your surgery when you decide to go forward with a date.

Our “cancellation policy” is up to a 48 hour notice for cancellations or changes, anything less than or a no show your \$100.00 will be forfeited. We are happy to give you a courtesy reminder call 2 days prior and request a confirmation call back.

Due to new Covid-19 we need to ask you to call our office when you arrive in the lobby downstairs so that we can be sure that you will be the only one in our lobby when you enter. Please bring only one other person with you.

Please download our paper work, fill it out and bring it with you to your consultation. We look forward to meeting with you!
